## **Quarterly Summary**

As we reflect on the past quarter, we are deeply grateful for the continued support and generosity from our donors. Your monthly contributions have been instrumental in enabling us to extend our help to those in need, especially during the recent atrocities against minorities in Bangladesh following the protests in August 2024. In addition to our relief efforts, we were also able to send donations to our scholarship recipients, providing them with the necessary support to continue their education. Your generosity has had a profound impact, and our scholarship recipients are thriving thanks to your assistance. Together, we are making a meaningful difference in the lives of many.
