Quarterly Summary

Dear Friends, Supporters, and Well-Wishers,

As we look back on this past quarter, we're filled with gratitude for all that we've been able to accomplish together. Every step forward has been powered by your generosity, encouragement, and belief in the work we do.

Srila Prabhupada Scholarships

One of the highlights this quarter has been awarding 15 scholarships to students in need. These are young individuals with so much potential, and thanks to your support, they now have one less barrier standing in the way of their dreams. The joy and relief on their faces, and the heartfelt words from their families, remind us why we started this journey in the first place. It's not just about financial help, it's about planting seeds of hope and possibility.

Federal Recognition

We're also incredibly proud to share that the Gour Mandal Foundation has officially been recognized at the federal level as a charitable organization. This recognition marks an important chapter in our growth. It not only validates our mission, but opens doors for new opportunities, partnerships, and ways to expand our impact. Most importantly, it means our supporters, like you, can now make tax-deductible contributions to help us go even further.

And speaking of supporters, we truly can't thank you enough. Whether you've donated, volunteered, spread the word, or simply stood by us with encouragement, you've been part of something meaningful. Every action, no matter how big or small, has helped move us closer to our vision of a more equitable and compassionate world.

We're excited for what lies ahead, and we hope you'll continue to walk this path with us. From the bottom of our hearts, thank you for being part of the Gour Mandal Foundation family.
